Dear Sirs,

There is not comment on Adeline Cable

2/
subjected to the additional background
whine of their music & advertising for more
channels, pay per view etc. When you
can't even get your regular cable or talk
to anyone. It drives customers CRAZY!
We should not have to be subjected to
this. I want to speak to someone within
5-10 mins after I call. This is reasonable.
I pay for this service & they are not serving
their customers with this awful phone service.
I pay my bill ON TIME & I want someone to
answer when I call them ON TIME TOO!

Sincerely,

Labra Brea
